2004 sf open studios

ArtSpan's San Francisco Open Studios is a program, through which artists open their studios to the public during the first four weekends in October. Visitors may explore the workspaces of 900 artists, speak with them and buy art. This map provides the locations of the artists. **Studios are open Saturday and Sunday from 11am to 6pm.** An "H" after the medium indicates handicap accessibility. The SF Open Studios Exhibition features sample artwork by 600 participating artists and is open from 10am to 5pm, Saturday and Sunday and from Noon to 4pm, Tuesday through Friday. The exhibit is at SomARTS, 934 Brannan Street. The free *SF Open Studios Guide* is available at our exhibition, The Art Store, Cole Hardware and Bay Area bookstores & coffee shops.
